Bidding process. While other parts of Kapolei & Ewa battle the heat, Makakilo sits above it all—literally—where cooler outdoor temps & steady trade winds create the kind of comfort you can't buy at Home Depot. A rare find at this price point, this home offers a meaningful ocean-view peek—just enough to remind you you're living on an island, catch the blues of the coastline between the rooftops, and bring a sense of calm to your mornings & evenings. Inside, this 3-bedroom, 1.5-bath townhome delivers exactly what today's smart buyers crave: a practical floor plan
