Have you been looking for a peaceful & private oceanfront retreat?! If so, this home may be for you! Not only does the property have a grandfathered seawall to secure the property from erosion concerns, with private steps leading into the ocean for swimming, snorkeling, surfing, kayaking, or fishing, but it is also close to the highly rated Kokololio Beach Park, a 5 minute walk along the coast during low tide. The coral in front of the house provides a favorite resting spot for monk seals, as well as a feeding area for sea turtles. During the winter months, whales can be watched
