Seize this rare opportunity to own two detached homes with 3 electric meters, 2 gas meters, in the desirable Maunalani Heights neighborhood! Front home is a 3-bedroom, 1-bath built in 1924, offers classic island architecture, high ceilings and charm, ready for renovating and updating. Back home is a two-story built in 1936 and provides flexible living: 1 bed/1 bath upstairs and 1 bed/1 bath downstairs, ideal for multi-generational use, long-term rentals, or a creative reconfiguration. Both homes need significant work, making this a blank canvas for your next project.
