sqft land sqft living bedrooms bathrooms listing price

Welcome to this easy fixer upper close to the beach. Beautiful mountain views from the upstairs bedrooms and the ceiling situation in the family room is not as bad as it looks! The flat roof above that room has failed and needs to be repaired but there's easy access from the bedroom window so maybe it's a weekend warrior job? Super affordable lease rent. Come take a look. Vacant and easy to show. This is a bank owned property.
