In partnership with Discovery Land Company, introducing a limited collection of grand estate-style homes on the South Shore of O’ahu. ‘Ilima captures the essence of urban island living, uniting classical architecture and masterful craftsmanship to evoke the allure of a bygone era reimagined for contemporary living. Incorporating covered walkways, punched windows, balconies, and arcades with large view-centric windows and a flowing layout, the design harmonizes interiors with foliage, landscape, and sweeping views of the ocean, mountains, and Diamond Head.
