Gorgeous Grand Penthouse 4007 at front-row Victoria Place is high above the rest, with stunning, extra-tall ceilings and glass clerestory windows opening up sea and sky views. There is nothing else like this very top floor! Because of the height, you see over many of the other buildings downtown to the beautiful Waianae Mountains in the distance. Never-lived-in, PH4007 is in truly pristine condition. Brand new cabinetry and hardwood floors are of the highest quality. The bathroom is luxurious with fine stonework and plenty of storage.
