MAKAKILO - Makakilo Ridge Did we mention large interior space? You must see to appreciate. Originally a modest one-level, this home was reconstructed to add an expansive area that was used for an office with a separate entry. Above this construction, the owners utilized the new area to create a spacious Primary suite upstairs with a large open wardrobe space. From the suite, enjoy the shaded lanai that overlooks your back yard. Additional space can be used as a den, exercise room, whatever you choose. Enjoy expansive views from your upstairs suite. Come
