Check out this 3 bedroom, 2.5 bath home in Ewa Beach offering over 1,500 square feet of comfortable living space paired with standout upgrades that add long-term value. Key renovations include a newer roof and central air conditioning system, plus an owned photovoltaic system with 26 PV panels and two Tesla Powerwall batteries which helps to significantly reduce energy costs. A 240-volt outlet adds convenience for electric vehicle charging. The home also features newer stainless steel Samsung Wi-Fi appliances, and all-new double-pane windows with UV
