Looking for a fantastic investment or a DIY fixer-upper to reside in? This Ewa Beach home provides SO much space, and a huge, fenced-in, corner lot to let your imagination bring your creative vision to life! This home has a versatile floor plan inside, with 3 bedrooms per tax records but a 4th bedroom area off the back (a permitted addition back in 1983), enclosing what was former lanai space. A closet and bathroom with nicely tiled shower make this a great ohana space with it's own entrance or extra bedroom suite. The property still has a large, outdoor lanai space
