This is a single-wall redwood family home with wooden floors featuring a two-car garage and a large family room extension at the back. The property includes spacious front and back yards. While the structure is mostly original, it is believed to be structurally sound, though there is some dry wood termite damage. The home is in a convenient location near schools, shopping centers, restaurants, recreation centers, parks, Makalena Golf Course, bus stops and the Skyline, with easy access to the freeway.
