Located on the edge of Maili Point, this incredible beachfront property boasts some of the most spectacular views on the West Side that one could wish for - blue ocean, mountains, and sunsets! There are 2 houses on the property, including a 4 bed/2 bath main house and a 1 bed/1 bath guest house. Beach access is as simple as walking through the gate from your own backyard. This was previously the beach home of a Hollywood actor who described Maili Point as his favorite spot on all the islands. Maili Point offers great waves for surfers, with a surf break
