\$18,500

Located near the front of the subdivision on Mauna Kea Drive, the main paved entrance road into Aloha Estates Subdivision, this 14,574 square foot lot is lush with mature 'Ohi'a, Hapu'u, and many other plants. Utility lines run right past the front of the lot for easy access if planning to build on-grid. K-1 Staking Survey completed in December of 2022 with mid Points-On-the-Line halfway back on either side of the property. This is a great location at a very good value.
