Tucked at the end of a cul-de-sac in Makamae, this 2024-built home checks the boxes buyers are actually looking for. Eighteen owned solar panels paired with two batteries keep energy costs right around \$100/month. Inside, you'll find upgraded long-plank LVP throughout, custom shutters upstairs and in the downstairs guest room, and woven natural shades that give the main living areas a clean, elevated feel. The layout is just as functional as it is thoughtfully finished, with a highly sought-after first-floor bedroom and full bath making this home ideal for guests or
