Land for Sale in **Kaneohe**, Oahu | MLS **202606725**

**\$699,000**

listing price

Great list price based on value of land only, and far below appraisal that is three years old! This property is positioned for high interest and offers. Structure remaining is in teardown condition without cabinets, appliances, windows, walls, etc. Have you been waiting for the right home to come on market? Maybe this is it instead! Buy the land and build it just the way you want it. Also major potential at this price for contractors to build a house in this super community on an easily accessible and mostly level lot. Great views of the mountains front and back!📍
