A rare offering in Enchanted Lake, a remodeled 4 bedroom home with a large pool plus a detached guest quarters that features a wet bar and 2 separate entrances. This large home sits on a flat lot of over 9000 square feet with lush landscaping, with plenty of space to run around! ☑

Brand new floors throughout the main house! The spacious kitchen opens to the dining and living spaces, which have a view out to the remarkably large 520 square foot lanai! The beautiful tiled pool would cost well over \$100k to build today! ☑
