Well-maintained, owner-occupied & move-in ready, this single-level home sits on a rare 5,002 sq. ft. lot & has been genuinely cared for inside and out. Bright & open, the wide floor plan is filled with natural light from large windows throughout.

Central A/C keeps things comfortable year-round & the energy setup is hard to beat: 24 owned photovoltaic panels on Net Metering! plus 2 new Tesla batteries that have already proven their worth during recent storms. The metal shake roof means no insurance headaches & the gas oven and stove are a bonus for anyone
