You've seen this Lanai before. The Ilikai is the most recognized residential building in Hawaii - immortalized in film, television, and five decades of Honolulu lore. But owning here isn't about nostalgia. It's about securing your place in one of the world's most coveted short-term rental addresses overlooking the white sand of Waikiki, the salt air off the Pacific, and the golden-hour glow that makes people never want to leave. This unit offers first-class views thanks to its rare position in the building — one of the few that captures Ocean, Lagoon, and Diamond head
