Step inside Prescott II and feel the immediate pull of space, light, and possibility—soaring 20' vaulted ceilings and an open-concept living and dining area create a rare sense of freedom that buyers compete for, not just admire. This home quietly eliminates the usual homeowner headaches with central A/C, a solar water heater, fully paid solar panels, and upgraded appliances already in place—meaning comfort and efficiency from day one without added cost. The rich hardwood flooring and sleek Corian countertops signal quality at every turn, while the
