RARE PENTHOUSE at the Esplanade in Hawaii Kai priced WELL under \$800,000. It's ready for your renovations! This 2-level, 3-bedroom, 2-bath fixer has insane marina, ocean, mountain, and Diamond Head views, soaring ceilings, huge windows, cool tradewinds, and the kind of layout that makes you stop mid-walkthrough and think, "okay... this could be ridiculously nice." It feels more like a single-family home floating above Hawaii Kai than a condo. The upside here is real, and opportunities like this in Hawaii Kai are hard to come by. Multiple lanais,
