This 2 acre agricultural parcel is thoughtfully developed and contains mature, producing fruit trees in the gated Kawaihapai Farms development. Located at the end of a cul-de-sac road at the top of the development, this parcel is private and uniquely planted for Agroforestry production. Access into the parcel is by an all weather, coral rock driveway leading to a level pad for parking. The pad is surrounded by a rock wall, offers an ocean view and is ready for your future barn. An established windbreak protects the parcel from the prevailing trade winds. All
