Originally built as a model home, this Spinnaker townhouse has the upgrades to prove it: granite countertops, crown molding, tile flooring, and high-end ceiling fans throughout. The open-concept kitchen features newer stainless steel appliances flowing into a bright living area that opens to a private, fenced backyard with a tiled outdoor living space. Upstairs, 3 bedrooms and 2 full baths include a spacious primary suite with walk-in closet and double-sink bathroom. High end berber carpet throughout the bedrooms and a recently upgraded AC keeps everything
