Arguably one of the most coveted residences in the building, occupying the prime oceanfront corner stack (00) on the penthouse top floor. This rare two-bedroom conversion (option originally offered by the Developer) reconfigures the typical three-bedroom floorplan to create a significantly larger living room and uninterrupted ocean views that sweep from one corner of the unit to the other. A truly unique floorplan that is a rare find in the building. Positioned to take advantage of the generous distances between neighboring towers, sustaining
