One of the premier units in this 4-unit CPR complex, offering 1,188 square feet of living space in a generously sized, fully fenced private front and back yard with an installed sprinkler system, all set against a stunning mountain view backdrop. The beautifully remodeled open floor plan kitchen and living area shines with all-new appliances, a new water heater, and a brand-new 2026 roof. CMU construction throughout the complex helps minimize sound transfer between units. Shared driveway access. A rare combination of space, privacy, and modern updates.
