Rarely available, diligently maintained single-level home on a desirable flat street in Newtown Estates. Meticulously cared for by its original owner—a civil engineer who managed the buildings and grounds for the Newtown Rec Center for over 20 years. The light-filled, 4-bedroom, 2-bathroom layout features soaring vaulted ceilings and the classic well-built Newtown feel. The home has been thoughtfully and practically maintained over the years, including kitchen and bath updates, an ADA-compliant primary bathroom, and the complete removal of the popcorn
