First Showings are at Open Houses: Wednesday 8/5 from 10:30-12:30 and Sunday 8/9 from 2-5 PM. A rare find - newer construction in Pacific Palisades. This large home is a single family CPR - you own half of a duplex. Two of the 4 bedrooms are master suites. However, once inside this feels like single family living with endless views to the coastline. This home has split air conditioning and solar PV panels and a solar water heater. ☑

Check out the extra storage area under the home - extra space could be finished
