A rare opportunity for a homeowner to customize their dream home or an investor to build equity. Needs work but it's a great value for under \$800,000. A similar sized home on this street sold for \$930,000 earlier this year. Located on a quiet cul-de-sac with no backyard neighbors, this home's location provides tranquility with convenience. Just minutes from Kapolei's shopping, dining, schools, University of Hawaii West Oahu and the rail. It's not going to last long, so call your agent now!
