Rarely available single-level home in Pearl City featuring 3 bedrooms, 1.5 baths, and a generous 7,494 sq. ft. lot. The functional layout offers great potential to create an open-concept kitchen connecting the living and dining areas while taking advantage of abundant natural light and coastline views. Built with redwood framing, valued for its natural resistance to termites and decay, this home offers solid bones and plenty of opportunity to make it your own. Ample on-site and street parking. The spacious lot provides plenty of possibilities for outdoor living,
