Highly desired golf course frontage in Coral Ridge — this 4-bedroom, 3-bath two-story home backs right up to the course, with a fenced, landscaped yard and covered lanai made for watching the golfers go by. Built in 2018 by Gentry Homes, the 1,851 sq ft open-concept main level centers on a huge kitchen island and a large dining room that flow straight out to the lanai — morning coffee over the green, pau hana with friends, dinner outside year-round. Central AC and a solar water heater keep it comfortable and efficient. A full bedroom and full bath on the first
