This fully remodeled 5-bed, 2-bath home gives you what no condo tower ever could - two separate living spaces with private entrances, separate electric sub-meters, two separate water heaters, and nearly 7,000 sq ft of land with a real yard and ample parking. The upper level offers three bedrooms, a full bath, and a complete kitchen, while the lower level has two bedrooms, a full bath, and a wet bar ready for family or a tenant to help subsidize the mortgage. Everything was updated this year with new paint, countertops, and kitchen finishes throughout,
