Look no further. This home is located near walkway and conveniently close to stores, golf course, and parks. Tax records say 3 bedrooms, but owner put a wall in loft to add 2 more bedrooms. This is great for that big family or office space when working from home. Backyard has a great view of Diamond Head and almost all of downtown. New Year's Eve you have your own seat for the show. Walkway to main road is right next to property. No back neighbors to bother you. Home has solar panels to keep bill down.
