A well-kept, comforting reminder of old Hawai'i. This 4-bedroom single family home is tucked away in Hilo's Mohouli area, offering space, flexibility, and character. A standout feature is the massive 840 square foot enclosed covered patio, providing an incredible amount of additional space for family gatherings, entertainment, hobbies, storage, or creating your own flex space. The wraparound yard includes fruit trees: navel oranges, meyer lemons, tahitian lime, and samoan coconut.
