This three-bedroom, two-and-a-half-bath residence goes well beyond builder standard. 16 Leased solar panels paired with a Tesla battery offer energy independence and resilience few neighboring homes can match. Out front, finished landscaping gives the home curb appeal from the moment you arrive. Ka'ulu is Gentry's newest community, set between Kapolei and Ewa and designed around open space, walkable streets and energy-conscious living. It's ideal for buyers who want new construction without waiting on a build, and especially for VA buyers. An
