Welcome to Ke Noho Kai in Ocean Pointe. She sits in one of Ewa Beach's master-planned neighborhoods, with an open, easy layout that works for everyday life and for having people over. Vaulted ceilings lift the main living area and bring in natural light. Tile and plank flooring run through the home and into a kitchen with solid counter space.Out back is something you rarely find here: her own pool, set in a fully fenced private courtyard with lush tropical landscaping. It is a backyard you will actually use.She is set up to run efficiently. A 31-panel owned PV solar system
