sqft land listing price

Hard to find ocean front parcel in Papuhaku Ranchland, located on Molokai's west side. A great place to build your dream home due to the fact this lot is slightly elevated compared to the adjoining lots on either side. Creating superior 180 degree views of the ocean, Diamond Head and Molokai's western coastline. This property has an approved and permitted agricultural well. This well can provide up to 8,000 gallons per day that can be used to water any vegetation and fruit trees. Wells are no longer allowed in this area so this is truly a rare find. Partially
