TIO 512 V OCT 11 - OCT 25: The fall season is one of the most enjoyable times of year to enjoy the island. Kids are back in school and it's the calm before the rush of the holiday season. The slower time of year makes it ideal for eating at your favorite restaurants, more elbow room on a catamaran or even shorter lines at the airport. This one bedroom, two bath condominium offers views of Black Rock, Kaanapali Beach and the neighbor island of Molokai. Beat the heat on your shaded lanai on the north side of Tower 1. Annual occupancy October 11 - October 25.
