Rare finding! Hotel Zoned, ground floor, 2 bedroom / 1 bath condo, beautifully remodeled from top to bottom and located right across the street from Sugar beach. Must see to appreciate it! This property features an upgraded electrical panel, three A/C window units, and a very spacious layout. Enjoy stunning mountain views in a quiet setting since this unit is located towards the back of the complex minimizing road noise. Great rental history available upon request. The current owners enjoy their unit 3-4 months out of the year, maximizing their use
