The road up to 21 Hulumanu Place winds along a dramatic cliffside. Not everyone will follow it to the top. That's what makes this place yours. By the time the gates swing open, the town below has already disappeared. This is Maluhia Country Ranches, and maluhia means peace and tranquility for a reason. As you step inside the main home, light pours through soaring ceilings and the views open in every direction. Ocean on one side, mountains on the other. The lanai pulls you outside immediately. You'll find yourself lingering long after dinner, watching the light
