Owners and Visitors to the Palms of Wailea understand why this Resort is a favorite... solid concrete construction, spacious interiors, well managed low density Resort perched on a Bluff within a short walk to the famed Wailea Resort shoreline and upscale Shops and Restaurants. Palms 406 is all of the above and also boast new flooring, fresh coat of paint, new furnishings, fixtures and appliances. Combine that with added A/C in the Great Room, the privacy on the second floor with a lanai that is both open and covered where one can enjoy Preferred Resort Views,
