Hana Ranch is the largest offering on Maui and one of the few remaining private holdings of this size in Hawai'i. Established as a working cattle ranch in 1944, it remains an iconic agricultural land holding encompassing approximately 3,006 fee simple acres. The sale includes 26 separate parcels, allowing for the creation of a secluded estate with multiple homesites. The ranch features ocean and mountain views and is managed by a dedicated paniolo using sustainable, diversified agriculture and silviculture practices. Stewarded over its history by only a handful
