sqft land sqft living bedrooms bathrooms listing price

This HOTEL-ZONED, top floor condo in the coveted G Building is a rare find: first time in 10 years a 2BR/2BA unit on the 5th floor of Maui Banyan's premier building is on the market. Panoramic, sweeping views from the ocean to West Maui Mountains to Haleakala. North orientation significant reduces the solar load (and UV damage) to the unit. The property has two pools and hot tubs and well-manicured grounds. There is one deeded parking stall and plenty of guest parking on the top floor of the garage. It is turn-key, currently set up to be rented as two
