Perched along Maui's celebrated Napili coastline, this exceptional two-bedroom residence presents a rare opportunity within one of West Maui's most coveted oceanfront communities. Two-bedroom offerings at Napili Point are seldom available, and this particular residence is further distinguished by one of the rarest floor plans in the entire development—shared by fewer than six units—making it a truly limited acquisition. Fee simple, single-level, and ideally positioned as a corner residence, this home combines privacy, convenience, and timeless coastal appeal.
