At the end of the only cul-de-sac in Waikapu Gardens, this 3 bedroom 2.5 bath residence is situated on a generously wide, pie-shaped lot. With breathing room on both sides, you have privacy without isolation. Parks and paths are woven through this established and sought after neighborhood. Step out the back door to the North Shore and harbor views that let you forecast the ocean conditions before you even get to the beach. Just below, a walking trail runs along your back fence. Behind the home, Haleakala holds the horizon. The sun lifts slowly over its shoulder
