Puamana - 21 Puapake is one of the first buildings to receive permits to rebuild within this coveted oceanfront neighborhood! Construction is slated to begin at the end of 2026 and completed one year later. 21-2 will be built out as a 2-story townhouse with a spacious bedroom upstairs opening up to a deck which should provide ocean views. Building 21 was devastated by the fires of August 8, 2023; exteriors will be re-built from load bearing walls out, featuring new plumbing, electricity, roofs, 9-foot ceilings and options for solar and plans to plumb for gas
