Sophistication and simplicity do a remarkable tango together at this rarely offered upcountry condo. Located between Makawao and Pukalani, this elegant courtyard style group of townhouses is cleverly hidden in its own world isolated from road noise and the bustle of Paniolo life. This second floor unit has cathedral ceilings and light coming in from all angles plus an efficient split system A/C with 4 separately controllable outlets. Move in ready, the condo features a bonus third floor retreat loft, and a generous kitchen featuring Wolf and Jenn Air appliances.
