Life here moves at a calmer pace. Set in the quiet Kula Orchards neighborhood at approximately 3,000 feet elevation, this Upcountry home offers cooler air, quiet evenings, and slow, unhurried mornings. An added \$11,500 buyer credit provides flexibility to offset closing costs or buy down the interest rate. Updated in 2021 and well cared for, it's a place that feels settled and easy. The kitchen naturally becomes the center of daily life—morning coffee, shared meals, and conversations that linger. Living spaces open easily to a large deck, where mornings start outside
