Welcome to a rarely available opportunity in Kihei Villages—where location within the complex truly matters. This 2-bedroom, 1.5-bath condo stands out as one of the most private and usable properties in the community.Set along the edge of the complex with frontage on open space, this unit enjoys a more peaceful, open setting with fewer immediate neighbors—creating a sense of breathing room that's hard to find here. Out back, you'll discover one of the home's best features: a large, fully fenced yard that has been completely reimagined. With refreshed
