If Wai'olu Estates is where you want to build, Lot 42 is where you want to buy. At 15,997 square feet (nearly 0.37 acres), Lot 42 on Kiha Place is one of the largest lots currently for sale in Wai'olu Estates — and unlike most of the active competition, which sits along the main Kauna Lipo Drive corridor, this lot is tucked into Kiha Place, a quiet cul-de-sac shared by just 12 home sites. If you've been watching Wai'olu Estates, the time to act is now. This is no longer just a community on paper — homes are completed, residents have moved in, and more
