Studio 219C has been thoughtfully reimagined in 2024 with a designer-led renovation, featuring hand-selected materials and one-of-a-kind finishes throughout. Positioned oceanfront, this studio offers the rare combination of unobstructed views, premier location, and elevated interior design. Originally built in 1974, Noelani captures the essence of "old Hawai'i," with its low-density layout, solid construction, and unmatched proximity to the ocean. With only 50 units in the community, opportunities to own here are limited and highly sought after. Unit
