There's a reason people who discover Molokai's east end keep coming back. The pace is different here. The air smells like rain and salt, the tradewinds are steady, and from the third floor of B Building you've got an unobstructed view of the ocean shifting from shallow reef green to deep open-ocean blue, with Maui sitting on the horizon. Wavecrest B306 is priced to sell and sold as-is. Renovate on your terms and make it exactly what you want. One bedroom, one bath, third floor, with natural pass-through ventilation that keeps things cool. No AC hum, just the sound
