A Brand-New Roof. A Fresh Start. And More Potential Than Meets the Eye. Single-story living in Kihei — and this one just got a whole lot more interesting. This single-family home has been thoughtfully cared for over the years, and now it's ready for its next chapter. No interior stairs, a practical floor plan, and a home that gives you the freedom to move right in or make it your own. Here's what sets it apart: the floor plan lends itself to an easy conversion into a 3-bedroom, 2-bathroom main living space plus a separate(attached) 1-bedroom, 1-bathroom unit
